### Mandarin Class: Obadiah 28 April – 7 July (11 weeks)

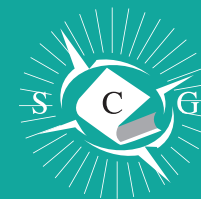

Following the destruction of Jerusalem in 586 BC, the prophet Obadiah pronounced God's judgement on the nation of Edom (descendants of Esau) and declared His vindication of Israel and the final establishment of His kingdom on earth. God's oppressed people are to take courage because He is still the righteous Judge of all the earth. Proud nations like Edom will reap what they have sown. But those who turn from the wickedness of pride to humility will find hope and refuge in the Lord.

### Cantonese Class: Ephesians 28 April – 7 July (11 weeks)

Paul writes to teach God's purpose for the church and to give instructions on right conduct in the light of this teaching. Believers have been chosen, predestined, redeemed, forgiven and made heirs in Christ. They are to walk in a manner worthy of the calling and as a community of faith, their lives are to be characterized by holiness, love, wisdom and unity, fully equipped for the work of the ministry so that the church may be built up, reflecting Christ in every way. Please refer to the Chinese Language Ministry for more information and to register for the course.

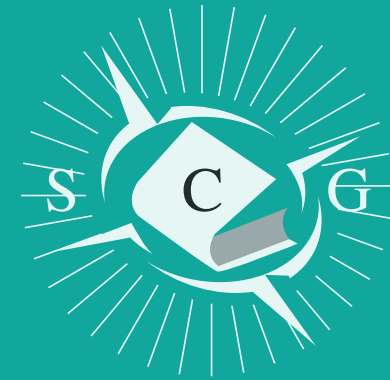

### MINISTRY TRAINING LIFE GROUP (LG) EMERGE TRAINING 28 April – 2 June (6 weeks)

Often, in our desire to be a blessing, we are hindered by fear or inadequacy. Someone said, "Stop looking at what you can't do and find something you can do, and start doing it by faith. If you will do the little bit you can do, God will do everything that you cannot". The LG EMERGE Training seeks to equip maturing believers with knowledge, skills and confidence to make an impact in their circle of influence in small groups and beyond!

CHRISTIAN  
GROWTH

TERM  
**2**

28 APRIL to  
7 JULY  
2019

**My Faith (Level 1) 28 April – 7 July (11 weeks)**

A physical house built without a foundation is destined to fall. Only a firm foundation creates a real and lasting home that stands the test of time. Similarly, it is important to lay a solid spiritual foundation for your faith in Christ. Knowing the Bible, what you believe, how to live the Christian life and how Jesus has intended the church to operate are essential building blocks for establishing a firm foundation.

My Faith provides believers with the biblical basis for the practices and beliefs of the Christian faith.

**Ezra: The Return from Exile (Level 2)**

**28 April – 9 June (7 weeks)**

After seventy years in Babylonian exile, we witness the return of the Israelites to Jerusalem under the leadership of Zerubbabel to rebuild the temple. Due to opposition from surrounding enemies, the construction of the temple came to a halt after two years and was completed eighteen years later. When Ezra returned with the second wave of exiles, he found that the people of God had forgotten and disregarded His laws, going as far as marrying pagan spouses and adopting their practices. Ezra re-established the law and called the people to return to the foundations of their faith.

**Haggai: Putting First Things First (Level 2)**

**16 June – 7 July (4 weeks)**

Discouraged by the opposition to the rebuilding of the temple in Jerusalem following their return from Babylonian exile, the Israelites focused their attention on building their own houses and working their fields, leaving the temple in shambles. They were more concerned with their own needs than with doing God’s work. Seeing that they had planted much but harvested little, Haggai called the people to reconsider their priorities and finish rebuilding God’s temple. If they would place God at the center of their lives, they would realize the future blessings that He had in store for them.
