One of the deepest desires for us to have fellowship with others. This is especially true of new Christians who seek to walk in newness of life. Such fellowship can be found through membership in the local church. Church Membership means mutual benefits and responsibilities for both the church and the member.

The Church should expect me to :

- Faithfully attend its services.
- Be aware of the total Church programme at home and abroad and to support it by prayer and through Faith Promise.
- Live a consistent Christian life.
- Serve in the Church and its ministries according to my abilities.
- To share my Christian testimony by word and life on a person-to-person basis.
- Support the church by the methods of tithing (giving a tenth of my income) and offerings..
- Be loyal and support the church leadership and vision
- Be a member of the Life Group.

I should expect the Church to :

- Minister to my spiritual needs, especially through the preaching of the Word and Spiritual instruction.
- Assist me with godly counsel especially in times of decision, stress and difficulty.
- Provide opportunities for Christian fellowship.
- Sustain me by prayers and concern of pastors and fellow believers in any of the distressing circumstances of life.
- Be a Biblical steward of financial investments in the Kingdom of God.
