CALVARY CHURCH  
SCHOOL OF CHRISTIAN  
GROWTH

## **LOOKING FORWARD, PRESSING ON**

*13 Brothers, I do not consider that I have made it my own. But one thing I do: forgetting what lies behind and straining forward to what lies ahead, 14 I press on towards the goal for the prize of the upward call of God in Christ Jesus.*

*Philipians 3: 13-14 (ESV)*

## **WHAT IS SCG**

**2 Thessalonians:**  
**Be Ready for**  
**Christ's Return**  
(Level 2)

In Paul's second letter to the Thessalonians, he continues to encourage them to live faithfully amidst persecution and stand firm in the hope of Christ's return. He briefly describes the circumstances that will surround Christ's return, giving them signs to look for and warning them to stay away from idle men who don't live by the gospel. The message to the Thessalonians is an apt reminder to us to stay vigilant in the light of Christ's soon return and to let what we hope for shape what we live for.

**The Bait of Satan:  
Overcoming the  
Deadly Trap of  
Offense**

**(General)**

**H**ave you been offended by others? Do you fight thoughts of distrust or constantly rehearse past hurts? One of the most deceptive snares Satan uses to get believers out of the will of God is offense. Offenses entrap us, sever relationships and distance us from God. We can be ensnared without even realising it because offenses wear different masks. Don't be fooled! You will encounter offense. If offense is handled correctly, you will become stronger rather than bitter. Learn how to escape Satan's grip, avoid a victim mentality, practice forgiveness, experience reconciliation, and remain free in Christ.

***A Theological  
Perspective of Evil  
and Suffering***  
(General)

A drunk driver kills a whole family. A concert massacre results in hundreds dead. An earthquake rocks a nation. Where is God in all of these? Why would a good God allow so much evil and suffering? Perhaps, one of the greatest challenges facing Christianity is the seeming contradiction between the existence of a loving God and the problem of evil. This course seeks to offer a biblical response to this challenge of faith by exploring the premises underlying this apparent contradiction and helping us examine our own assumptions about pain and God Himself so that we are better prepared to respond to our suffering and the suffering of others.

This course is a prerequisite for all seeking membership with Calvary Church.

**Zechariah:**  
**Prepare the Way**  
**of the Lord**  
(Level 2)

The book of Zechariah records the prophetic message given to the Israelites who had returned to Jerusalem after the Babylonian exile and charged with rebuilding the temple. In oracles and visions Zechariah challenged his hearers to return to faith in the Lord; to cleanse themselves in anticipation of the cleansing fountain of God's grace; to restore the city of Jerusalem in preparation for its coming glorification. The promises of God in the book of Zechariah are meant to fuel the faithfulness of God's people and prepare the way for the promised Messiah.

**Preparing for  
Marriage  
(General)**

**M**arriage is a decision worthy of serious forethought and preparation, and awesome marriages require being intentional even before you say "I do." It is easy to be caught up in planning for the wedding day rather than focusing on preparing for a marriage that lasts a life-time. This course is designed to help Christian couples planning to get married or have been married for less than 3 years to lay a firm foundation for a strong and lasting marriage. Couples will learn how to clarify their roles, responsibilities and expectations, communicate effectively and resolve conflicts, manage finances, deal with family histories, plan for the church wedding and much more!

**MANDARIN CLASS:  
*Romans***

The theme of the letter of Romans is the Gospel of God: the good news that God declares sinners to be righteous when they trust in the sacrifice of Jesus Christ on their behalf. It involves both the imputed righteousness of justification and the imparted righteousness of sanctification, worked out progressively through the power of the indwelling Holy Spirit. Paul writes this letter to explain the basic yet powerful truths of the faith along with their implications for daily life that are still relevant to us today.
