

¹³ Brothers, I do not consider that I have made it my own. But one thing I do: forgetting what lies behind and straining forward to what lies ahead, ¹⁴ I press on towards the goal for the prize of the upward call of God in Christ Jesus.

***Love Like You
Have Never Been
Hurt Before***
(General)

Family is God's gift to us. There is no denying that those who are closest to us can bring us the greatest joy and yet wound us the most profoundly. The pain can seem insurmountable and it can feel even more impossible to continue loving in the face of it. Still, family is God's plan and idea. God did not intend for us to walk wounded. He wants us to be whole and He desires to bless families. This DVD study by best-selling author and Pastor Jentezen Franklin seeks to provide the tools and inspiration you need to see hope, receive healing, restore strained family relationships and love like you have never been hurt.

My Faith
(General)

My Faith provides believers with an understanding of the “Statement of Fundamental Truths” that contains the tenets of faith that Calvary Church as an Assembly of God church adheres to. These fundamental doctrines provide the biblical basis for the practices and beliefs of our Christian faith which are essential building blocks to help you establish a firm foundation in Christ as well as strengthen your commitment to the Church and its mission to fulfil the Great Commission given by our Lord Jesus Christ. This course is a prerequisite for all seeking membership with Calvary Church.

**1 Thessalonians:
Living in the Light
of Christ's Return**

(Level 2)

Paul wrote to reaffirm the faith of the Thessalonians and strengthen the ground of their hope amidst persecution, while encouraging them to continue in holy living as they anticipate the return of the Lord Jesus. Paul's teaching in this letter provides helpful guidance for us on what it means to live as a Christian in the face of an uncertain world that appears to be spiraling out of control. And above all, to be watchful, vigilant and prepared for the imminent return of Christ that could be sooner than we think!

**Jesus Revolution:
How God Can
Transform a
Generation**
(General)

God has always been interested in turning unlikely people into His fervent followers. The 1960s and 1970s saw countless unlikely people viz. the hippies, junkies and yippies who had rejected the religion of their parents' generation and didn't follow the rules coming to faith in Christ. The Jesus Movement, a spiritual awakening that swept through America and Europe changed their lives and destinies forever. The cultural climate of that notable era is surprisingly similar to our modern times. Join Greg Laurie, hippie turned pastor in this DVD study as he lays down the groundwork for a new move of the Holy Spirit. God is not finished with our generation. Let the spiritual revolution begin with you!

MANDARIN CLASS:
Romans

The theme of the letter of Romans is the Gospel of God: the good news that God declares sinners to be righteous when they trust in the sacrifice of Jesus Christ on their behalf. It involves both the imputed righteousness of justification and the imparted righteousness of sanctification, worked out progressively through the power of the indwelling Holy Spirit. Paul writes this letter to explain the basic yet powerful truths of the faith along with their implications for daily life that are still relevant to us today.

CANTONESE CLASS:
Ecclesiastes

Ecclesiastes is concerned with the purpose and value of human life and it teaches us how to live a meaningful life. If life is viewed only from the negative aspect, then life under the sun is meaningless. In reality, life in the world is under God - for all its enigmas. Hence what begins with "Meaningless! Meaningless!" ends with "Remember your Creator" and "Fear God and keep His commandments." It is in giving thanks to the Creator God and serving Him that makes one's life worthwhile. This course helps us to examine life beyond the horizons of birth and death - life crossing the boundaries of this visible world.
