CALVARY CHURCH
SCHOOL OF CHRISTIAN
GROWTH

LOOKING FORWARD, PRESSING ON

13 Brothers, I do not consider that I have made it my own. But one thing I do: forgetting what lies behind and straining forward to what lies ahead, 14 I press on towards the goal for the prize of the upward call of God in Christ Jesus.

Philipians 3: 13-14 (ESV)

***Goliath
Must Fall***
(General)

It's likely you have a threatening giant in your life. . .an adversary or stronghold that's diminishing your ability to live a full and free life. Frozen in the grip of rejection, fear, anger, comfort, or addiction, we can lose sight of God's promises and settle for less than His best. God has a plan for you to live in victory. In this DVD study, best-selling author Louie Giglio, pastor of Passion City Church shows how the key to living free from our giants is not better slingshot accuracy, but keeping our eyes on the one and only giant-slayer: Jesus. Put your hope in Him, and watch Goliath fall. It's not the height of the giant. . .but the size of our God that matters.

**1 Timothy. . .
In Pursuit of
Godliness
(Level 2)**

1 Timothy offers practical and pastoral advice from the aging apostle Paul to his young protégé, Timothy concerning issues that were arising at the church in Ephesus. Amidst the threats posed by false teachings, Paul urges Timothy to maintain sound doctrine and charges him with teaching the people to behave in a godly way that maintains the church's witness. The gospel should lead to a visible change in the lives of those who believe it such that there is no legitimate separation between belief and behaviour. From family to finances, from instructions on worship to church leadership, Paul walks through the different facets of life to emphasize how godliness should look like in the church.

***How and When to
Tell Your Kids
About Sex***
(General)

Our children are flooded with messages about sex from the movies, music videos, internet, etc. Yet, sex remains a topic that can be embarrassing and hard for parents to discuss, particularly with their own children. How can parents have a significant input amid such a din, much of which seems beyond their control? When is the right time to talk about sex and how do parents introduce such a sensitive, awkward topic? Based on the award-winning book by Stan and Brenna Jones, this highly recommended course seeks to equip parents with the strategies, tools, and insights for age-appropriate discussions with their children. Ultimately, sex education is not so much a matter of providing information as it is a matter of deliberate character formation.

CANTONESE
CLASS:
Christian Beliefs
& Apologetics

Please refer to the Chinese Language Ministry for more information and to register for the course.

Apologetics play a vital role in validating Christian truths, strengthening believers and refuting errors. As Christians, having strong convictions about our faith in Christ is essential. Personal convictions are crucial because they form the foundation of our beliefs and actions. They provide a deep-seated assurance about spiritual truths, which can bring joy and confidence in our faith. While not everyone needs to be an expert in apologetics, every Christian should understand what they believe, why they believe it, how to share their faith with others, and how to defend it against falsehoods and challenges.
